Reflections About

TWO PRETTY DEBUTANTES

Miss Jane Gregory is the pretty daughter of the new Attorney-General of the United States and Mrs. Thomas W. Gregory, of Texas. This winter she will take a prominent part in social affairs, but will not be among the regular debutantes, although she has never been formally introduced to society. She is a graduate of the University of Texas, and one of the prettiest of the administration belies.

wilderness of bestments, a fury of inescapable exasperations. Tis the gnat never ceases. If he cm-ployed the same persistence in any good cause he would be a Mendeissohn, a fittinn, a J. Pierpont Morgan or a President Wilhon. But it expends all this enterty in noise in aimless teasing, ear-rending, heart-crushing, fault-linding. It does not build. It destroys, it earns for many life to make her formal bow to society this winter. The Grahams are from Pittsburgh, and have heen for Washington only a year. Miss Graham has heen attending boarding school at Oldfields, near Baltimore. No date has yet been set for her coming out party, because the family have just returned to the city, and have taken a new house, which is not yet completely arranged.

Miss C. W. it. asks: "I have tried for two years to diet so as to increase my weight and improve the quality of my blood, but in vain. Please prescribe for weight and improve the quality of my blood, but in vain. Please prescribe for me?"

Answer: Thin, scrawny, bloodless people need assistance in absorbing nutrition from the food caten, and for this particular purpose I always prescribe three-grain hypo-nuclane tablets, a most effective preparation if regularly and persistently used, as it seems to increase the red and white corpuscles of the blood, thus affording health, strength and increased weight.

M. J. B. asks: "My hair is toe oily and my scalp itches with dandruf, and of late it is combing out too much. What is a good treatment?"

Answer: Obtain plain yellow minyol from your druggist in 4 oz. Jars and apply as per directions. This cleans, purifies, cools and invigorates the hair and scalp, thus stopping the death of the hair. Dandruff and itching are at once relieved. Men and women all over the country now use it regularly.

"Essex" writes: "What should I do to relieve a severe case of kidney and bladder disease? Urine is dark, foul of odor, and passage is irregular, painful, etc. Have depression, fever, chills, pains like rheumatism, and soreness in region of bladder."

Answer: For such symptoms as you describe, I prescribe my favorite formula under the name of balmwort tablets. This is a splendidly efficacious remedy for such abnormal conditions. Begin their use at once as per directions on each scaled tubo.—Advertize-ment.
